SwissCEE – the bridge to success in business in Central and Eastern Europe

SwissCEE (Central Eastern Europe) supports companies in establishing business relations with the economically aspiring countries in Central and Eastern Europe. SwissCEE creates complete and customised solutions in outsourcing, offshoring, market entry, subsidies A-Z and language services.

SwissCEE is independent in terms of finance, business and politics. Slim structures guarantee flexibility and efficiency in project development in engagements in Central and Eastern European countries.

SwissCEE offers a dense partner network in business, politics and administration and runs offices in Prague (for Central Europe) and in Bucharest (for Eastern Europe). Our strong presence in the target countries is, in addition to our long years of experience, one of the vital factors for success in business: not only do theory and commendable concepts lead to success, but also an active presence on site in the business sphere.
